

SEMCU MISSION:

SEMCU is a nonprofit mutual benefit corporation organized under the California Nonprofit Mutual Benefit Law. The purpose of SEMCU is to engage in any lawful activity for which a Corporation may be organized under such law and is not for any one person’s gain. Realizing that the Madera Ranchos, Bonadelle Ranchos, Rolling Hills communities as well as their surrounding area (see map), are currently facing challenging issues relating to the interests of local businesses and residents, the purposes of SEMCU are: to convey, discuss, study and analyze the common issues facing the region, including but not limited to transportation, noise, water, energy, and services provided by the County and other public agencies; to advocate for, and act on behalf of SEMCU members and the region; to work with private granting agents and other interested actors to attain the above-stated purposes; to provide other services beneficial to SEMCU members and the region; and to otherwise aid and support those organizations that have established their tax exempt status under Section 501(c)(6) and 501(c)(3)of the Internal Revenue Code of 1986, as amended (or the corresponding provision of any future United States Internal Revenue Law), and which are organized and operated exclusively for the above stated purposes.

THE DRY WELL PROJECT

- Will take advantage of the “El Nino” phenomenon of a wet and stormy winter and capture clean storm water runoff for recharging the ground by placing dry wells in areas where storm water flood. These dry wells will fill with the storm water runoff and allow quick penetration for efficient recharge.
- Will provide the County and community residents, property and homeowners the opportunity to participate and when qualified, drill a dry well on their property **FREE** of charge.
- With the help of the County, the project was streamlined by the County expediting the permitting process and waving the permit fees.
- Opportunity for your organization to show that it is concerned and is doing something about the drought issues currently facing our community.
- All donations received will be used solely for this project
- All donations received are 100% tax deductible

“SEMUCU” For the Community, By the Community

HOW TO PARTICIPATE:

SEMUCU (a nonprofit corporation) and its community partners are looking for local businesses and organizations like yours to support and sponsor this tremendous opportunity. Each donation is 100% tax deductible and each contributor will be recognized in marketing materials displayed or circulated during the project.

All net proceeds will be used to keep this project going on as permitted basis into the future.

Please Make Donations Payable to:

SEMUCU Foundation, Inc. (SE Madera Dry Well Project)

37167 Avenue 12, Suite B, #18

Madera, CA 93636
